

## Siprem PCM100 Continuous Membrane Press (WWS622)

Posted on [31 May 2019](#) by [Colin Ford](#)

**Sold As:** Equipment

**Description:** This fully mobile Siprem PCM100 is a compact and highly efficient continuous membrane press.

This machine is equipped with six chambers in which the product is processed in succession and four must collection hoppers. This configuration allows from 10 to 16 tons per hour of crushed or de-stemmed grapes to be processed.

Operation is totally managed by PLC with each stage of the process controlled by the operator using the practical and efficient control panel.

**Price:** TBC

**Payment Terms:** (EXW) Ex-Works.

**INCO Terms:** (EXW) Ex-Works, Napier, Hawke's Bay.  
Freight is care of the buyer.
